HydroCAD Seminars

Course Description

This course is designed for students who already have some familiarity with the modeling program. The workshop will cover the basics of hydrology, how the program works, acceptable ways of modeling water structures, different fluid dynamic formulas, etc. We will review the assumptions of modeling surface water flows, with special attention to gauging the validity of those assumptions. (How to avoid the "garbage in, garbage out" syndrome.)

Cost: \$250.00 for the 1-day program

Who Will Benefit

This course will sharpen modeling skills that are essential for civil engineers, regulatory and enforcement personnel, stormwater managers and consultants.

- ✓ **You will acquire new skills for applying today's technology.**
- ✓ **You will produce a better product for your customers.**
- ✓ **You will save time and money.**
- ✓ **You will receive 7 certification renewal credits upon completion of the program.**

Instructor _____

Peter Smart
HydroCAD Software Solutions LLC

Session #N0512

Thursday, November 4, 2004

8:00 AM to 4:30 PM

Maine DOT Division 6 Office

Pleasant Hill Road, Scarborough

Session #N0513

Tuesday, November 9, 2004

8:00 AM to 4:30 PM

Maine DOT Division 6 Office

Pleasant Hill Road, Scarborough

Register Early!
First come, first served.
Class size is limited to 25 students
per session!

Format

This 1-day program will include a combination of live presentation, illustrated slides, prerecorded materials, and software exercises. Attendees will receive printed copies of the entire program, plus a free copy of the HydroCAD Owner's Manual.

Note: The seminar is being held in a general meeting room - not a computer lab. **If you wish to perform the software exercises during the seminar, please bring your own laptop computer with HydroCAD pre-installed.** If necessary, you may use the free HydroCAD Sampler available from www.hydrocad.net

Registration Form _____

Cost is \$250 for the complete 1-day program. (Same program to be presented on each day.) Mark your desired session below.

Register before the deadline to avoid a \$25 late fee.
