

**Stormwater Modeling Workshop
HydroCAD Computer Model Applications**

Sponsored by
New York State Department of Environmental Conservation
and
The Capital District Regional Planning Commission
Presented by
Applied Microcomputer Systems

Two one-day sessions
June 23rd and 24th, 2004 8:00 to 4:30
Computer Training Room (6th floor)
DEC Central Office,
625 Broadway
Albany, New York, 12233-3505

This workshop provides an opportunity to learn the use of a commercially available computer software, HydroCAD, for hydrology and hydraulics for the design of the stormwater management practices. Design professionals will find the workshop helpful in polishing-up their knowledge in modeling drainage systems, control structures and detention facilities.

Time	Workshop Agenda
8:00-8:15	Registration
8:15-8:30	Introduction
8:30-9:15	Understanding hydrology
9:15-9:30	Break
9:30-12:00	Working with HydroCAD, computer exercise
12:00-1:00	Lunch (on your own)
1:00-2:45	Advanced techniques for modeling drainage systems
2:45-3:00	Break
3:00-4:30	Advanced program continued, Questions and Answers

Fee: \$150.00. Please make checks payable to CDRPC.

CE credits: Applied to Education Dept. and credits may be available upon approval.

Registration Deadline: June 7, 2004, (Limited to 25 registrants per session)

Disclaimer: Sponsorship does not constitute endorsement of the software product.

Registration Form

To register, please fill out and mail, e-mail or fax this form to**:

Capital District Regional Planning Commission

5 Computer Drive West

Albany, New York 12205

Fax: 453-0856

E-mail: donna@CDRPC.org

Please photocopy this form as needed for additional registrants. If you have any questions, call Donna Dillenbeck at CDRPC (453-0850).
